

MANOHARAN K

COMPUTER SCIENCE ENGINEER

+91 6282161871 | manoharan6282@gmail.com | [LinkedIn](#) | [GitHub](#)

OBJECTIVE

To obtain a challenging role in a reputable organization where I can leverage my expertise in computer science and software development to deliver innovative solutions, contribute to organizational success, and foster continuous professional growth.

EDUCATION

P.A. College of Engineering and Technology	B.E(CSE)	CGPA: 8.89	(2022-2026)
NSS HSS, Kalpetta	HSC	91%	(2022)
MCF Public School Kalpetta	SSLC	73%	(2020)

INTERNSHIP

Data Science & AI/ML Intern (2024)

- Gained hands-on experience in data preprocessing, machine learning models, and visualization.
- Worked with real-world datasets to develop insights and improve prediction accuracy.
- Successfully cleared an evaluation test validating acquired skills.

PROJECTS

Federated Deep Q-Learning For Energy Efficient Cluster Head Selection In Wireless Sensor Networks (2026)

- Developed a WSN model using Federated Deep Q-Learning for efficient cluster head selection.
- Implemented and tested the model using Python and simulation tool.

Facial Emotion Analysis For Drug Use Detection Using Machine Learning (2025)

- Developed a CNN-based model using EfficientNetV2 for detecting drug addiction from facial images.
- Implemented image preprocessing, feature extraction, and real-time prediction using Python, TensorFlow, and OpenCV.

TECHNICAL SKILLS

Programming	: Python
Databases	: SQL
Web Development	: HTML, CSS, JavaScript
Python Libraries	: NumPy, Pandas, Matplotlib
Tools	: VS Code, Git & GitHub

ACHIEVEMENT AND CERTIFICATIONS

Holding Proficiency – Department Topper		(2023-2025)
Data Fundamentals	IBM SkillsBuild	(2024)
Getting Started with Artificial Intelligence	IBM SkillsBuild	(2024)
Python Programming	Udemy	(2025)

RESPONSIBILITY UNDERTAKEN

Secretary, Department of Computer Science & Engineering	(2025 - 2026)
---	---------------

CO-CURRICULAR

- Attended paper presentation in (CYNOSURE 2K24) Sri Ramakrishna Institute Of Technology, Coimbatore.
- Attended a National Level Technical Seminar on Iot Based Ardubotics Robotics workshop in KIT Coimbatore.

LANGUAGES

- English - Fluent | Malayalam - Native
- Tamil - Fluent | Hindi - Basic

DECLARATION

"I hereby declare that the details furnished above are true and correct. The information presented in this resume accurately reflects my qualifications and experience."
